“I work with a number of different vendors on a regular basis and JR Sales Corp. is the best around. They are very attentive to our needs and work with us every step of the way to find us exactly the right products. Even though I know they are extremely busy, they make me feel like I am their only client.”

Thanks!

“I received all of the menu covers today. I know this was a relatively large order for you with customization and a very short lead-time.

You and the staff there did an outstanding job. I was extremely pleased with the delivery and quality of the menu covers. Please let everyone that worked on this order know how thankful I am. Please stay in touch with anything you feel that I may have interest in that you offer. If you ever travel north, please stop in for an outstanding lunch or dinner.”
